CHRISTMAS GIFT

I woke up so early to

see my christmas gift. I

didn't find a gift except

a bag. Then I found an

envelope inside. There was

a treasure map. It was

our house's map. I found

some red marks to tell

me where I can find my
christmas gift. I followed
the map to find my
christmas gift. All of my
christmas gifts are \$20s
I got \$220 in total from
Santa. I want to save my
money so I can be richer
when I grow up.
